Memorial Day, June 3rd.

The Daughters of the Confederacy hope that every one in Tazewell has made up his mind to come out on Friday to honor the Confederate Veterans.

The few old soldiers, who have survived the vicissitudes of war and the years of hardship which followed, we wish to cheer on their way by giving them an opportunity to meet their old comrades and recount their experiences of long ago.

The decoration of the graves of those who have passed over the river is dear to the heart of every man, woman and child who loves to honor their country's heroes; and so we ask all to come to Jeffersonville cemetery Friday morning with wreaths and garlands of flowers to deck the graves of those old soldiers who sleep "neath the shade of the trees."

After the services at the cemetery the people will assemble at the court house by 11 a. m., where there will be a memorial address by an eloquent orator of local celebrity. Then will follow the delivery of the Crosses of Honor to seventeen old soldiers, whose names we append: S. N. Carter, Wm. S. Compton, Josiah Caudill, J. H. Caldwell, Lewis Evans, C. H. Grever, John D. Grever, Ballard V. Harman, James A. Lambert, J. Marion McGuire, L. S. Rich, J. M. Rose, M. L. Shrader, Eliza Sargent, A. A. Thompson, M. M. Pruitt.

Mr. James Whitman and Mr. Henry Bowen, who acted so efficiently as marshals last year, will be assisted by Mr. Frank Lewis, and will take charge of the march from the school house to the cemetery and back to the court house.

There will be for sale copies of an old newspaper containing the death of Stonewall Jackson, and the same can be purchased for a dime from the Daughters of the Confederacy in a tent just opposite the court house.

STUART'S IN LIMELIGHT.

Glash With Customs Officials in New York Causes Unsubstantiated Notoriety.

Mr. and Mrs. Henry C. Stuart, of Elk Garden, Russell county, had a clash with the customs authorities in New York on their return from Europe on the Mauretania last Friday. Eight of Mrs. Stuart's trunks, of a lot of twenty-pieces of baggage, were seized and sent to the public stores as containing valuable goods not declared.

George Smyth, a deputy surveyor of the port, held a conference with the Stuarts late in the afternoon relative to the matter. After the conference he explained that inasmuch as Mrs. Stuart had been living abroad for the last two years she thought she was a non-resident, and this misapprehension caused all the trouble. The fact that Mr. Stuart is a resident, however, said Mr. Smyth, according to rulings of the Treasury Department, made his wife also a resident.

"But I am sure," he added, "that the declaration was made out in good faith and that there was no intention on the part of Mr. and Mrs. Stuart to evade the payment of duties."

Mr. Stuart said: "I do not charge that there is any intention on the part of the customs officials to do me any injustice and I believe that there has been some misapprehension. But I do claim non-residence for my family. I know the law and am going to stand by my rights. I am sorry that this whole thing has attracted so much attention and the superfluous vigilance of the customs officers has put me in this queer light."

Later Mr. Stuart paid the duty of \$1,490 and got the trunks, that amount having been levied on goods therein not contained in his declaration of dutiable objects, which were assessed by the appraisers at \$3,010. The goods consisted of gowns, a seal skin sack, bolts of dress goods and a miscellaneous collection of goods of foreign manufacture.

Mr. Stuart is a nephew of General J. E. B. Stuart, of Confederate war fame, and is the candidate for Congress in the Ninth district on the Democratic ticket. Mrs. Stuart is a daughter of the late Charles Carter, of Rich Valley, Smyth county.

Shack Mills News.

Shack Mills, Va., May 30.

On account of not being in one place long enough to write, the news from Buchanan has "kinder" slipped my mind.

We notice that the ladies of Virginia are preparing a petition for the next General Assembly asking that a woman suffrage law be enacted in Virginia. We hope they will secure their rights and become voters. How many correspondents agree with me? Let's hear from you.

The comet scare has about subsided. The long tailed star can be plainly seen in the evening sky, though nothing exciting can be gleaned from its appearance. Many people professed religion, others quit work and got themselves ready for the journey to the "promised land" which was forth coming on the 18th. Now that the old earth still revolves upon her axis, the sun, his rays are sending down, and the moon-beams still light the earth at night. We wonder if those who hastened to church on the 15th will continue faithful attendants.

This scribe has just completed the enumeration of the school children in the Garden District of Buchanan county. In the bounds of said district there are sixteen hundred and seventy-four children between the ages of seven and nineteen. To accommodate this army of children we found twenty school houses and three under construction. Thus we see that each school house would have to accommodate about seventy-three students. Of the entire number there are three hundred and ninety-six unable to read and write. In gathering the information desired many large families were found. Ten pair of twins and one set of triplets. The most interesting family found was that of G. C. Addison, of Shack Mills—his entire family numbers seventeen—himself and wife, thirteen boys and two girls. Of this number there are eight school children, six voters and one girl married. Mr. Addison has at his disposal seven voters besides himself, and the entire crowd are Republicans. If this family does not reach the requirements of Mr. Roosevelt we would like to have the name and address of one that does.

The Lutheran Conference at Central Church closed Sunday afternoon after a pleasant session of three days. The weather was ideal and dinner served on the ground each day. There were ministers present from Bluefield, Radford, Rural Retreat, Ceres, Wytheville and other points.

At an early hour today a quiet and pleasant event took place in east Burkes Garden. Rev. W. M. Patty received at the hands of Cupid a beautiful cord, which he proceeded to tie into a sacred knot. At this juncture Cupid drew his sword, and smote two hearts and lo, they were one. On this occasion Miss Ella Neel became the bride of Mr. Ira Wynn, of Bluefield, W. Va. The bride is the daughter of Mr. and Mrs. Geo. L. Neel, and has been the efficient organist at Glade church. We regret to lose her from our midst.

TAZEWELL BOY KILLED.

T. R. Gillespie Shot and Killed in Raleigh County, W. Va.

T. R. Gillespie, a former resident of Tiptop, was shot by a negro named Cap White near Stanford, W. Va., on last Tuesday and so badly injured that he died in the Hinton hospital a few hours later.

Gillespie and the negro had a fight over a debt of fifty cents which Gillespie claimed White owed him. Gillespie pulled his gun and struck the negro over the head. The gun dropped from his hand and White secured it and shot Gillespie in the abdomen.

Gillespie was put on a lever car and taken to the hospital at Hinton but his life could not be saved. The negro was arrested two hours later and is in jail at Beckley to await trial.

There were two witnesses to the shooting.

Gillespie was the son of the Rev. Jas. H. Gillespie, of Tiptop, and a brother of Mrs. James Johnson and Mrs. Frank Alexander of Tazewell, and is survived by his wife and two children.
